Doing our part together & Creating Opportunities to serve out Community!!

**TOGETHERHOOD
COMMUNITY
SERVICE
PROGRAM**

Tom Mathis Sr. Council & the YMCA Join Together for the Annual Together Project

Hey Students! Do you have an idea of a community volunteer project that could benefit your school such as building a food pantry, creating care packages for soldiers, or hosting an outdoor clean-up initiative for your school grounds?! Come up with ONE project, why it's important, and how it will benefit your school! Once your teacher collects all of your ideas, the YMCA and Tom Mathis Sr. Council will choose one PHENOMENAL idea, and you, your school, and the YMCA will gather together this spring to make your project happen! The Contest will begin February 12th and will end February 28th.
